BRISA®

Fabric Colors

Brisa® is the first polyurethane fabric designed with a unique ventilation system that enables it to breathe, keeping you cool and comfortable, no matter how long you use the chair. A discreet grain pattern of this fabric is achieved by a natural process that simulates the supple surface of genuine leather.

Brisa® is now available as a quick-ship!
 Buckskin, Hollyhock and Coffee Bean are available on the PR756MC and the PR505M to ship from our nationwide network of warehouses in 2 business days!

Features and benefits of Brisa:

Advanced fabric design

- Luxuriously soft and supple
- Stain, scratch and blemish-resistant

Climate control technology

- Clinically proven to be more resistant to temperature changes than vinyl and genuine leather
- Superior comfort in all climate conditions – stays cooler than leather in warm weather conditions
- Resists cold weather stiffening and cracking

Stain resistant technology

- Cleans effortlessly with soap and water
- Lifts most stains with alcohol-based solutions like Fantastik® and 409®
- Disinfects with 5:1 bleach solution
